## Completed Job Vacancy Survey Yet?

The workforce challenges that our region faces have resulted in the creation of a survey by the Chamber to ascertain how many employees are currently needed for businesses to function effectively. The Job Vacancy Survey can be accessed from the Chamber Website at [www.blairchamber.com](http://www.blairchamber.com). It's extremely important that all businesses and organizations, both Chamber members and non-

members, complete the survey. It takes only a few minutes to complete and the data that it yields will help us determine a workable strategy.

## Consider a Contribution to the Unity Fund!

The past twelve months have created a boatload of challenges for Blair County businesses. Even with some of the programs provided by the government, money has been tight and businesses have had to make tough decisions to stay financially afloat. To help those businesses, the Chamber established the Unity Fund. The purpose of the Fund is to allow businesses that have reached inactive status with the Chamber to apply for funding of up to 50% of their delinquent dues. If your business is able to help out with a contribution, contact Cindy Cessna at (814) 943-8151 or email her at [ccessna@blairchamber.com](mailto:ccessna@blairchamber.com).
