

Chamber Office Closed Monday for Independence Day

The Blair County Chamber Office, located in the Devorris Center for Business Development, will be closed on Monday, July 5th in recognition of Independence Day. Data Security Roundtable to Meet This Thursday

The Chamber's Data Security Roundtable was created to raise awareness of the many security-related threats confronting businesses of all size. The Roundtable is officially open to any Chamber members that either provide data security or have some interest in the topic. There is no cost to belong. The first meeting of the Roundtable will be held this Thursday, July 8th at 11:00 a.m. at the Devorris Center for Business

Development. For more information, contact Joe Hurd at (814) 943-8151 or email him at jhurd@blairchamber.com.

Salvation Army Offering Free Masks

While some people in our community are hoping never to see or wear a facemask again, others are reluctant to go completely "mask-less" too soon. For that second group, the Salvation Army is making re-usable masks available at no cost. Simply call (814) 942-8104 and ask for Pastor Larry, Pastor Ashley or Jamie.

Chamber All-Stars Recognized for June

Since sponsorships are such an integral part of the Chamber's ability to offer great events and programs to members, we recognize sponsors each month as "All-Stars." The All-Stars for June are: Boutique Air, Healthy Blair County Coalition, McCartney's Business Products, My Benefit Advisor, Pennsylvania Highlands Community College and Slingers Throw House.

Congratulations...

... to State Senator Judy Ward who received the NFIB Guardian of Small Business Award from the National Federation of Independent Businesses. The award is given to lawmakers who small businesses can truly count-on.

Great Opportunities Exist for Committee Participation

As the Chamber heads into the heart of the summer, many Chamber committees are already gearing-up for a busy fall. To get that process underway, those committees are looking for additional members to tackle significant objectives. The committees that would like to add to their numbers

are: Workplace Wellness, Sustainable Blair County, Committee of Non-Profit Businesses, Farm-City and Membership. Anyone who has an interest in being part of any of these committees should contact Joe Hurd at (814) 943-8151 or email him at jhurd@blair-chamber.com.

Chamber's Canadian Rockies Trip Postponed Until 2022

The delayed opening of the Canadian border with the United States has resulted in the postponement of the Chamber's trip to the Canadian Rockies. Since the trip drew considerable interest, the Chamber and Epic Journeys have rescheduled the trip until July 16-22, 2022. Anyone who had booked the trip for 2021 can rollover

POSTPONED

their reservations until next year. Those who don't plan to take the trip in 2022 will get a full refund including travel insurance.
