# Saluting the Sponsors of the Home Garden & Healthy Living Showcase

The 51st Annual Blair County Home Garden & Healthy Living Showcase, set for March 25-27 at the Blair County Convention Center, has the potential to be one of the largest shows in many years. Besides the many exhibitors at this show, there are four outstanding businesses that have stepped-up as sponsors to make the show even more of a success. Those sponsors are: Renewal By Anderson, Smithmyer Plumbing & Heating, RoofWorks USA and Holiday Pools & Spas. "The sponsors provide additional credibility to the value of the show," admits Stacy Hoover of the Chamber. "When businesses like these invest in sponsorship, it sends a

message that resonates loud and clear." For more information on the show or to reserve one of the few remaining booths, contact Stacy Hoover at (814) 943-8151 or email her at [shoover@blairchamber.com](mailto:shoover@blairchamber.com). The Showcase is a partnership between the Blair County Chamber and the Blair-Bedford Builders Association.

## Nomination Period Continues for Business Hall of Fame

After a two-year hiatus, the Business Hall of Fame is returning, albeit with a few significant changes.

The event, started by the Blair County Chamber in 1990, will be held on June 16th at The Casino at Lakemont Park. Perhaps the biggest change is that event is now a luncheon instead of a dinner. The Hall of Fame luncheon will begin at 11:30 a.m. and conclude by 1:30 p.m. The luncheon will still be highlighted by the presentation of the Hall of Fame Awards. But rather than the four inductees in past years, there will be no more than two presented at this event. The Awards of Distinction will likewise undergo a change. While holdovers like Excellence in Small

Business and Young Emerging Business will remain, there will only be one recipient in each of those categories instead of the three that existed in the past. And for the first time, there will be a Non-Profit Business of the Year Award. In the past, the Hall of Fame judges presented awards for safety, technology and sustainability. Those awards will be presented under a category known as "Business Specialty Awards" but only when a particularly outstanding accomplishment is identified. Despite the many changes that the Business Hall of Fame is undertaking, the nominating and selection process remains the same. Nomination forms can be downloaded from the Chamber website at [www.blairchamber.com](http://www.blairchamber.com). For more information, contact Stacy Hoover at [shoover@blairchamber.com](mailto:shoover@blairchamber.com).

## Chamber to Launch Membership Campaign on March 28th

The Chamber is launching a major Membership Campaign that will begin on March 28th and conclude on May 31st. The campaign, which will be introduced by the Chamber's Membership Committee, will feature a variety of initiatives that include a recruitment component by the Board of Directors, incentives for current members to help identify and sign-up prospective members and even a percentage discount on dues for those who join. Even with the incredible importance

associated with making the campaign a success, the Chamber marketing staff has still seen value to inject a level of fun to the project. The campaign itself has been branded, "Catch'22 Membership Challenge." The slogan centers on the opportunity for Chamber members to earn \$50 in gift cards by recruiting a non-member and taking the recruitment process to its completion. For the joining new member, there is an immediate 10% discount off the first year's membership, provided they join prior to the May deadline. (For more information, contact Jessie Covert at [jcovert@blairchamber.com](mailto:jcovert@blairchamber.com).)
