## Career Shadowing Week Begins November 14th

High school juniors from throughout Blair County will have an opportunity to spend a half-day at a local business, shadowing an employee of that business. It provides insight into a particular career and may make it possible for a young person to stay in the area after graduation. It can also potentially help a business to find an energetic employee. The BASICS Career Shadowing Week runs from November 14-18. If someone from the BASICS Career Development Sub-

committee calls you and asks you to allow a student to shadow, please do your best to make that happen. For more information on Career Shadowing, contact Joe Hurd at (814) 943-8151 or visit the Chamber Website at [www.blairchamber.com](http://www.blairchamber.com).

## Chamber Check-Up to Return at the End of November

Educating our new members on the many advantages of joining the Chamber is tremendously important. So is educating many of our

longtime members who may have lost touch with those same advantages. So the Chamber will be scheduling one-hour meetings each month, beginning in November, to encourage members

to come and learn about ways that the Chamber can benefit their business or organization. There is no cost to attend "Chamber Check-Up." We just want to reconnect you or your employees with the Chamber. The first meeting will be on November 29th. To accommodate schedules, we'll have Check-Ups at both **9:00 a.m.** and **3:00 p.m.** To register, call the Chamber at (814) 943-8151 or register online at [www.blairchamber.com](http://www.blairchamber.com).
