

## "Chamber Check-Up" Set for Tomorrow

Educating our new members on the many advantages of joining the Chamber is tremendously important. So is educating many of our longtime members who may have lost touch with those same advantages. So the Chamber will be scheduling one-hour meetings each month, beginning in November, to encourage members to come and learn about ways that the Chamber can benefit their business or organization. Non-members can also attend. There is no cost to attend "Chamber Check-Up." We just want to reconnect you or your employees with the Chamber. The first meeting will be on November 29th. To accommodate schedules, we'll have Check-Ups at both **9:00 a.m.** and **3:00 p.m.** To register, call the Chamber at (814) 943-8151 or register online at [www.blairchamber.com](http://www.blairchamber.com).

## Friday's Best Practices Forum to Focus on Grant Writing

Business survival, particularly in the Non-Profit world, depends heavily on the ability to generate revenue from a variety of sources. One of those sources is grants. So what's the best strategy for writing a grant proposal that will get the attention of funders? The answer to that will be the subject of the next Non-Profit "Best Practices Forum," hosted by the Chamber's Committee of Non-Profit Businesses. That program, entitled "Grant Writing 101," will be held this Friday, December 2nd from 8:15 to 9:45 a.m. at the Devorris Center for Business Development. The presenters will be Tim Longwill and Jerry

Brandt. The cost to attend is \$10 for Chamber members and \$20 for non-members. Space is limited. Corporate sponsor of the event is [Central Pennsylvania Community Foundation](#). Contact the Chamber at (814) 943-8151 or register online at [www.blairchamber.com](http://www.blairchamber.com).

## Help the Chamber Foundation Fund Leadership Youth Program

The Chamber's [Leadership Blair County Youth](#) program is in its 19th year and has helped hundreds of high school sophomores in Blair County to learn about the challenges and opportunities in Blair County as well as the importance of servant leadership. The program has been funded through donations to the Blair County Chamber Foundation. Neither students nor

the school districts that send them are charged to participate. At the present time, donations have fallen short of the amount needed to cover the 2022-23 costs. As a result, the Chamber Foundation is reaching out to the business and education communities asking for help. If you or your business can make a contribution, please send it to the Chamber Foundation at 3900 Industrial Park Drive, Altoona, PA, 16602 or donate online [here](#).
