Help the Chamber Foundation Fund Leadership Youth Program

The Chamber's [Leadership Blair County Youth](#) program is in its 19th year and has helped hundreds of high school sophomores in Blair County to learn about the challenges and opportunities in Blair County as well as the importance of servant leadership. The program has been funded through donations to the [Blair County Chamber Foundation](#). Neither students nor the school districts that send them are charged to participate. At the present time, donations have fallen short of the amount needed to cover the 2022-23 costs. As a result, the Chamber Foun-

dation is reaching out to the business and education communities asking for help. If you or your business can make a contribution, please send it to the Chamber Foundation at 3900 Industrial Park Drive, Altoona, PA, 16602.

Congratulations...

BASICS Committee Looking for Business Members

The **BASICS** Steering Committee of the Blair County Chamber has successfully overseen a variety of outstanding programs for many years. The committee, however, has many members from education but very few from business. “Having a balanced committee is essential as we explore ways to help young people navigate the career path,” explained Alex Seltzer of Manpower, which is one of the few businesses represented. “It would be great to have at least five additional business members.” Any business member interested in serving on the committee should contact Joe Hurd at (814) 943-8151 or email him at jhurd@blairchamber.com. **BASICS** is an acronym for Businesses And Schools Investing in Cooperative Solutions.
