## BASICS Committee Looking for Business Members

The [BASICS](#) Steering Committee of the Blair County Chamber has successfully overseen a variety of outstanding programs for many years. The committee, however, has many members from education but very few from business. "Having a balanced committee is essential as we explore ways to help young people navigate the career path," explained Alex Seltzer of

Manpower, which is one of the few businesses represented. "It would be great to have at least five additional business members." Any business member interested in serving on the committee should contact Joe Hurd at (814) 943-8151 or email him at [jhurd@blairchamber.com](mailto:jhurd@blairchamber.com).
