## FITFACT

### Second S is for Spiritual Wellness

When we introduced the new "Fit Fact" feature, created by the Chamber's [Healthy Workplace Committee](#), we reminded employers that they have SPIES in their businesses. From the wellness standpoint, the "Second S" in SPIES stands for Spiritual Wellness. Among the ways to address Spiritual Wellness are: Reading and reflection; Prayer; Meditation; and Keeping a Journal. It's also good to pause for a moment to take a bird's eye view of your life. Ask yourself, "Am I the best version of myself?" You might be surprised to hear the answer! Also, if you're interested in being a member of the Healthy Workplace Committee, email Joe Hurd at [jhurd@blairchamber.com](mailto:jhurd@blairchamber.com).
