## Getting Involved in Chamber Committees Has Never Made More Sense

The creation of the Alliance for Business Growth and Economic Development will initially change a few things along the way but for 2024, very little will change on the Chamber side. Including the important work undertaken by the Chamber committees. If you're unfamiliar with the committees and what they do, take a few minutes to visit the Chamber Website at [www.blairchamber.com](http://www.blairchamber.com). The committees are listed and described there. If you find something that appeals to you, call Joe Hurd at the Chamber at (814) 943-8151 or email him at [jhurd@blairchamber.com](mailto:jhurd@blairchamber.com).
