

# CHRISTMAS PARTY & TEAM BUILDING

## NOTHING BRINGS PEOPLE TOGETHER LIKE A CHALLENGE.

Your group will face a single mission that presents multiple puzzles, ciphers, and challenges. Every member will need to work to overcome the challenges of the room in order to complete their mission.

## TAILORED TEAMBUILDING JUST FOR YOUR GROUP.

Each group is unique and has different goals for their team building experience. We can handle groups from 5 - 50+. We can work around your group's schedules. Our trained facilitators will make sure your debriefing moves your group closer to your specific goals.

## IT'S JUST FUN!

Who wants to sit in a meeting staring at charts and graphs? Escape Rooms Johnstown and Altoona offer a valuable 60 minutes of fun and excitement. Games offer a chance to let loose and enjoy the experience with the members of your group.

## COMMUNICATION SKILLS

*In order to win, you must be able to communicate effectively. These games make team work a necessity!*

## PROBLEM SOLVING SKILLS

*We all solve problems differently. Our games are designed to challenge every major problem-solving personality*

## ASSESSMENT SKILLS

*Groups learn the value of assessing a situation and gain insight on how to work on new tasks.*

## BOOK YOUR EXPERIENCE

We love to book team building groups in person or over the phone. (It give us the chance to get to know the needs of your group better.)
